

An Easy Pop-up

by Carolina Illanes, Creative Fusion Visiting Artist, 2013

1. Fold your base card in half. Crease the fold of the base card.

2. Place a ruler about 4 inches from the bottom of the closed base card. Draw a 2-inch line perpendicular to the ruler. Cut on the line.

3. Place a ruler about 4 inches from the top of the closed base card. Draw a 2-inch line parallel to the bottom. Cut on the line.

4. Make a score line connecting both cuts (perpendicular to both cuts.)

5. Open this base card. Fold this structure.
